

## Bellary City Corporation

No: C.C.B:ENG:EOI:MSW:01:2009-10

Date 08-7-2009

### Expression of Interest (EOI) for Development of Integrated Processing and Scientific Landfill Facility

Bellary City Corporation (BCC) is one of the fast growing cities in the state due to industrial and tourism potential in the region. The city is spread over 82 Sq Kms, with a population of 3,17,000 as per 2001 Census.

The city generates about 150 TPD of MSW and BCC is committed for safe disposal of MSW as per MSW Rules, 2000 and to comply with the mandatory recommendations of the committee constituted by Supreme Court of India. In this regard BCC intends to select the private developer for development of integrated processing and scientific landfill facility on Design, Build, Operate and Transfer basis.

The land admeasuring 84.33 acres at Haraginadoni has been acquired by BCC for the project and is located 16 Km from the City.

BCC invite "EOI" for the above mentioned work from reputed companies/agencies/firms with a brief profile of the organization/consortia members, audited financial statements of the latest completed financial year, details of relevant experience including certificates and evidence of the works undertaken. The EOI should also clearly set out the suitable technology for treatment of MSW and scientific landfilling.

#### **1. Scope of work**

- a) Technology for development of processing of MSW and scientific landfill
- b) Designing the facilities for processing of MSW and scientific land filling activities (Infrastructure development and establishment of tools and plants).
- b) Integrated processing facility for mixed waste input.
- c) The residue of inerts should not be more than 20% for sanitary landfill.
- d) The Developer will have to carry out O&M for a minimum period of 20 years which can be renewed on mutual consent.

#### **2. Documents to be furnished along with EOI**

- a) Details of SWM projects completed
- b) Details of technology adopted and experience certificates.
- c) Details of technology cost, methodology, funding pattern, the developer propose for this project.
- c) Turn over certificate issued by competent authority.
- d) Certificate of registration issued by registrar of firms/companies.
- e) Details of technical/managerial staff on permanent / temporary establishment of the firm available for this project etc.

### 3. Criteria for acceptance

- a) The EOI received in time conforming to the aforesaid criteria which are found eligible shall only be issued Tender documents where in they would be required to submit their Technical Bid and the Financial Bid.

The Technical Bid would be evaluated with respect to adoption of result oriented and proven technology. Financial bid of such bidder with highest technical capability and most advantageous to ULB would be considered for acceptance.

Further details and the time schedule for submission of bids would be made available along with the bid documents.

- b) Last date for submission of EOI is 9<sup>th</sup> August 2009 before 5.00 PM in person or through authorized representatives only on the address mentioned below.
- c) In case of any queries / clarifications on the Project, please write into or contact at the below mentioned address.
- d) BCC reserves the right to cancel the notification of EOI or reject all or any offers without assigning any reason there of.
